PRESSURE WASHING

Hard Surface Cleaners specialises in commercial pressure washing, providing an efficient and powerful solution for removing dirt, grime, and tough build-up from your property. With our skilled team and state-of-the-art equipment, we deliver exceptional results that restore the cleanliness and appeal of your space. Count on us to refresh your property with our high-quality commercial pressure washing services!

- Pressure washing provides significant benefits for various commercial applications.
- Ideal for shopping centres, schools, restaurants, universities, distribution centres, petrol stations, factories, and car parks.
- Effectively removes years of dirt and grime build-up in a single wash.
- Restores cleanliness and freshness to your commercial space.
- Delivers remarkable results with a deep cleaning method
- Trust our expertise to rejuvenate your property and create a welcoming environment.

SOFT WASHING

Soft surfaces need a gentler approach. Hard Surface Cleaners provides professional soft washing services for commercial properties. This low-pressure cleaning method is ideal for delicate materials like painted walls, signage and shade sails. Instead of force, we use biodegradable cleaning solutions that break down organic matter such as mould and airborne pollutants, leaving surfaces clean without damage or streaking.

- Commercial soft washing offers a gentle yet effective cleaning solution for delicate surfaces.
- Ideal for Paint, Render, Signage & Sensitive Areas.
- Site assessment to understand the surface type and condition.
- Ensures a safe and pristine environment for your property.

ROOF AND GUTTER CLEANING

Hard Surface Cleaners offers professional roof and gutter cleaning services designed to protect and enhance your property. Regular maintenance prevents water damage, extends the life of your roof and improves your business's street appeal. Experienced in roof condition reporting and ongoing maintenance.

WHY CHOOSE GUTTER VACUUMING?

- **Non-Invasive:** Safe for all property types, including multi-story buildings.
- **Fast & Efficient:** Thorough cleaning without the mess of traditional methods.
- **Prevents Blockages & Overflow:** Avoid water damage and costly repairs.
- **Reduce bushfire risk** by removing debris
- **Protects property:** reduce bushfire risk by removing debris
- **Environmental-Friendly:** No harmful chemicals, just powerful suction.

CARPARK AND FACADE CLEANS

Don't underestimate the impact of a clean car park and façade. It's the first impression your customers have and plays a key role in how your business is perceived. Our tailored service approach is designed to seamlessly integrate with your operations, minimising disruption to customers and employees while delivering visible, high-quality results.

SCOPE OF WORKS CAN ENTAIL:

- Deep cleaning of carpark floors
- Bollards and pillars
- General rubbish removal
