## QUALITY CONTROL POLICY

---

**ISSUED:** JANUARY 2026 | **REVIEW CYCLE:** ANNUAL | **DOCUMENT OWNER:** OPERATIONS

---

### **PURPOSE**

RIVIX implements quality control processes throughout the production lifecycle to ensure consistent product quality, compliance with client specifications, and accuracy of materials and construction.

### **Quality Control Activities**

Quality control activities may include, but are not limited to:

- Pre-production specification review
- Material and trim verification
- In-process inspections
- Pre-shipment quality checks

Any non-conforming items identified during inspections are addressed prior to shipment in accordance with approved specifications.
