THE SINGING HEART ESTATE

FULL DAY ESTATE HIRE ON THE SUNSHINE COAST

For couples who want the whole estate to themselves for the day, and who already have an idea of how they want it to feel.

You have exclusive private use of the gardens, the Orangerie, and the indoor spaces, from 11am to 9pm. The furniture is yours to use. Bring your own caterer, drinks, stylist and florist, and shape the day around the two of you.

We are there on the day to support you and keep things running, so you are never doing it alone.

Two ways to celebrate here

Full Day Estate Hire is for couples who want to bring their own people and shape the day themselves, with us there to support.

If you would rather we took care of it all, finding your caterer, liaising with your vendors, and having everything set up before you arrive, the Intimate Wedding Experience is built for that.

Either way, the estate is only ever yours for the day.

Come and see it for yourself.

Private viewings are by appointment only.

Thursdays and Saturdays, 2:00pm or 3:30pm.
