About Beforepay

Beforepay was founded in 2019 to support working Australians who have not been well-served by the traditional financial-services industry. The product is an ethical, customer-friendly way to help people manage temporary cash-flow challenges. We provide our customers with early access to a portion of their pay, on-demand, in exchange for a single fixed fee, which helps them to get through short-term challenges whilst not living beyond their means. For more information visit www.beforepay.com.au.

Carrington Labs, our enterprise arm, enables banks, credit unions and fintechs to elevate their lending performance through deep credit risk insights that can help increase approval rates, cut defaults and grow margins.
