Our community has been designed to include chef-driven restaurants, elevated terraces, a fully equipped fitness center, salon, day spa and indoor pool. What if you should one day need senior health care? You'll have priority access to high-quality care services at our sister community, The Landing. Choosing The Riviera means you've chosen well.

SOPHISTICATED DESIGN. LEED CERTIFICATION.

The entire building and every residence meet the stringent standards for LEED Silver certification by the U.S. Green Building Council, to minimize carbon footprint and maximize resident comfort.

YOUR NEW HOME *in North Potomac Yard*

The Riviera sits just above Old Town Alexandria in North Potomac Yard — a charming district along the waterfront. We're just a few blocks from major retail stores and notable restaurants. We are situated close to many medical offices, and one of the major hospital providers in Northern Virginia – Inova – has opened a micro-hospital down the street.

CITY SPIRIT MEETS THE URBAN OUTDOORS

North Potomac Yard is one of three interconnected neighborhoods comprising the dynamic, mixed-use urban center known as National Landing. Globally inspired restaurants, local farmers markets and scenic trails are all easily accessible. The area's flourishing arts scene includes museums, theaters, galleries, studios, exhibits and outdoor events. National Landing is part of a cosmopolitan world capital and the ideal setting for your perfect retirement lifestyle.
