AICS CONNECT

PRINCIPAL'S CORNER

13th November 2026

Dear Parents and Carers,
Assalamu Alaikum wa Rahmatullahi wa Barakatuh,

The College has recently communicated important policy changes to families. We ask all parents and carers to familiarise themselves with the following requirements and reinforce them with their children.

Mobile Phone Policy: Students are not permitted to use or access mobile phones during the school day. Students who require a mobile phone for travel purposes must submit the Travel Reason Form available on the College website. Once approved, phones must be switched off and handed to the Front Office upon arrival and collected at dismissal. Medical exemptions must also receive prior College approval and fill in the form that is also on the school website. Students must use a physical bank card or cash for canteen purchases.

Please be aware that breaches will result in phone confiscation for three or ten school days, suspension or further disciplinary action, depending on the number of offences.

Student Social Media Policy: Students are prohibited from creating, maintaining or participating in social media accounts or platforms and parents are strongly encouraged to ensure any existing accounts are deleted. Cyberbullying, harassment, inappropriate content, impersonation and the unauthorised use of the College's name or logo are strictly prohibited. This also includes using AI to create or distribute harmful content. The College may investigate online behaviour occurring outside school hours where it impacts student safety and wellbeing or the wider community. Breaches may result in disciplinary action, including suspension or expulsion depending on the seriousness of the incident.

Anti-Bullying Policy: AICS is committed to ensuring every student feels safe, valued and respected. Bullying, harassment and intimidation are not tolerated. The College is implementing the NSW Anti-Bullying Framework, which focuses on preventing bullying, responding appropriately to incidents, partnering with families and continually improving, implementing our practices.

Parents and students are encouraged to report any bullying concerns to a teacher, Head of Department, Head of School, Wellbeing Staff Member or the Principal. Reports can also be emailed to communication@aics.nsw.edu.au. All concerns will be taken seriously and addressed in accordance with college procedures. The Policy is available on the College website.

We appreciate the support of our families in reinforcing these expectations and working alongside the College to promote responsible behaviour, kindness and respect, both at school and online.

Student Punctuality: Punctuality is important part of a student's education and helps ensure that learning is not disrupted. Students are expected to arrive at school on time by 8:30am and be ready to commence their lessons. All students who arrive late must collect a late note from the Front Office before proceeding to class. Persistent lateness may result in the following consequences:

- 1st offence: Verbal warning.
- 2nd offence: Verbal warning.
- 3rd offence: Lunch detention.
- 4th offence: Lunch detention.
- 5th offence: Multiple lunch detentions.
- 6th offence: After-school detention.
- Further offences: Referred to the Principal and managed on a case-by-case basis. Continued persistent lateness may result in further disciplinary action, up to and including expulsion.

Continued…

Early departures are strongly discouraged aswell, we request parents make appointments outside of school hours where possible.

HSC Examinations: Our Year 12 students have officially completed their HSC examinations. We congratulate them on reaching this important milestone and wish them the very best of luck with their results and future endeavours. We pray that their hard work and dedication are rewarded with success Inshallah.

Year 7-10 Semester Two Examinations: Our Year 7-10 students have recently completed their Semester Two examintions. We commend our students for their efforts and encourage them to continue demonstrating vommitment to their learning as we approach the end of the academic year. Students missing an examination without a valid reason approved by the school will result in a mark of zero.

End of Year Awards: Please take note of the following important dates for our end-of-year celebrations and activities:

- Tuesday 8th December: Kindergarten to Year 5 Awards Ceremony
- Wednesday 9th December: Year 6 Graduation Ceremony and Secondary Fun Day (Years 7–10)
- Thursday 10th December: Secondary School Awards Ceremony and Year 6 Rewards Day
- Friday 11th December: Last day of the Academic Year.

We look forward to celebrating our students' achievements and marking the end of another successful school year together.

Confirmation of Enrolment 2027: Parents and carers have been sent a link to confirm their childs enrolment for the 2027 Academic Year. It is important that this confirmation is completed as soon as possible to assist the College with planning and preparations for the upcoming year.

You will also need to complete a withdrawal form if your child will not be attending AICS in 2027. The withdrawal form is available on the College website.

If you have not yet completed the confirmation, please check your email and submit the required information at your earliest convenience.

2027 Academic Calendar: The 2027 Academic Calendar has been included on the following page for your reference. We encourage all parents and carers to familiarise themselves with key dates, term dates and scheduled school holidays. Holidays and other non-urgent commitments should be taken during the school holiday period and not term teaching time.

Community Announcements: We encourage families to check the Community Announcements section at the end of the school newsletter to stay informed about activities and opportunities available within our wider community.

Wasalam,
Mohammed Riaaz Ali
Principal

Monday 25th January 2027 – Friday 9th April 2027
(11 Weeks)

- Monday 25th January 2027: Staff PD Day
- Tuesday 26th January 2027: Australia Day Public Holiday
- Wednesday 27th January 2027: Start Date for Kindergarten, Year 1, Year 11 and Year 12 students
- Thursday 28th January 2027: Start date for Year 2 – 10 students
- Monday 8th February 2027: Ramadan Begins *(expected; subject to moon sighting)*
- Monday 8th March 2027: Ramadan Ends *(expected; subject to moon sighting)*
- Tuesday 9th March 2027: Eid Ul Fitr *(expected; subject to moon sighting)*
- Friday 26th March 2027: Good Friday Public Holiday
- Monday 29th March: Easter Monday Public Holiday
- Friday 9th April 2027: Last day of Term 1

Autumn School Holidays: Monday 12th April – Friday 23rd April 2027

Term 2
Tuesday 27th April 2027 – Friday 2nd July 2027
(10 Weeks)

- Monday 26th April 2027: ANZAC Day Public Holiday
- Tuesday 27th April 2027: Staff PD Day
- Wednesday 28th April 2027: Start date for Kindergarten – Year 12 students
- Monday 17th May 2027: Eid Ul Adha *(expected; subject to moon sighting)*
- Monday 14th June 2027: Kings Birthday Public Holiday
- Friday 2nd July 2027: Last day of Term 2 date

Winter School Holidays: Monday 5th July – Friday 16th July 2027

Term 3
Monday 19th July 2027 – Friday 24th September 2027
(10 Weeks)

- Monday 19th July: Staff PD Day
- Tuesday 20th July 2027: Start date for Kindergarten – Year 12 students
- Friday 24th September 2027: Last day of Term 3

Spring School Holidays: Monday 27th September 2027 – Friday 8th October 2027

Term 4
Monday 11th October 2027 – Friday 10th December 2027
(9 Weeks)

- Monday 11th October 2027: Staff PD Day
- Tuesday 12th October: Start date for Kindergarten – Year 12 students
- Friday 10th December: Last Day of Term 4

Summer School Holidays:
Monday 13th December 2027 – Thursday 27th January 2028
Staff PD Friday 28th January 2028

Dear Parents, Guardians, Teachers and Students,

Welcome back to Term 4! I hope you all had a restful and enjoyable break and are feeling refreshed, recharged, and ready for a fantastic term of learning and achievement. As we begin the final term of the year, let us continue to work hard, support one another, and make the most of every opportunity. I look forward to seeing our students grow, learn, and finish the year strongly.

Wishing everyone a successful and rewarding Term 4.

Important Announcement

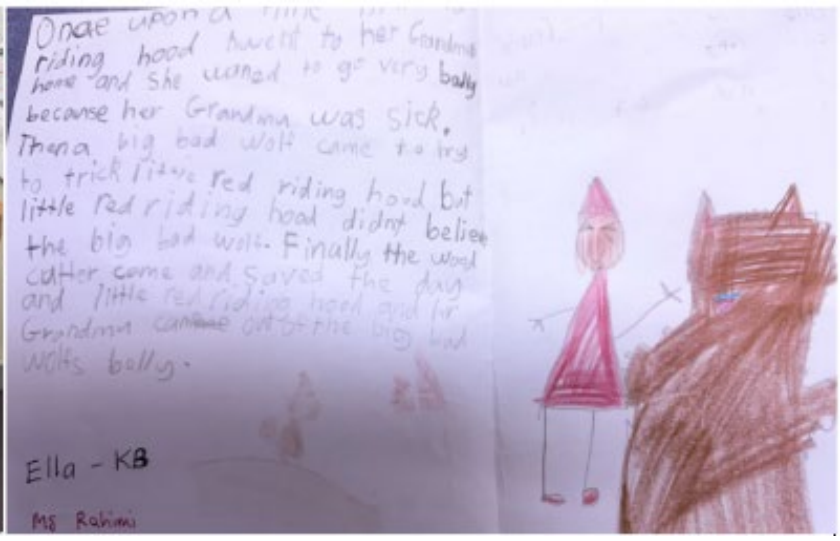

What a Wonderful Achievement for Kindergarten!

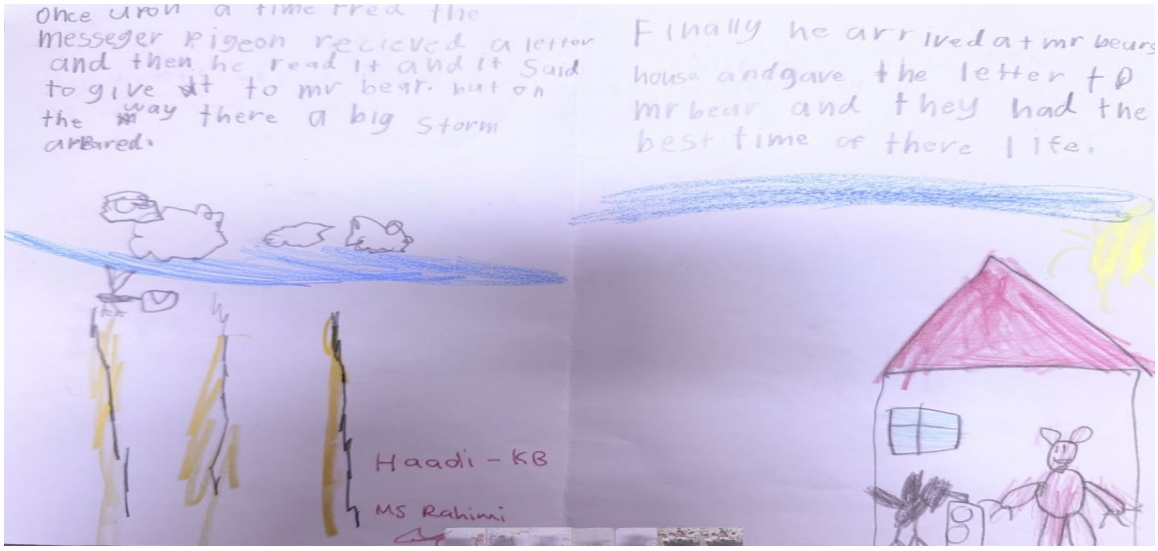

Our little Kindergarten students have begun writing their own books and are learning about adjectives and how to use them effectively in sentences. MashaAllah, what an incredible achievement and a proud milestone in their learning journey.

This success is a testament to the dedication, hard work, and commitment of our KB (Ms Binafsha Rahimi) and KC (Ms Sumaira Naveed) teachers, who have nurtured and guided their students with care and enthusiasm. It is truly inspiring to see our young learners developing their literacy skills, building confidence as writers, and taking pride in their work.

Amazon Girls' Tech Day Experience

A group of our Year 5 students had the exciting opportunity to attend Amazon Girls' Tech Day, where they explored the world of technology, innovation, and future careers in STEM. Throughout the day, students participated in engaging hands-on activities, collaborated with industry professionals, and gained valuable insights into coding, robotics, artificial intelligence, and digital innovation.

The experience inspired students to think creatively, solve real-world problems, and consider the many opportunities available in the technology sector. It was wonderful to see their enthusiasm, curiosity, and confidence grow as they learned from leading technology experts. We are proud of the way our students represented AICS and grateful for the opportunity to encourage the next generation of innovators and leaders.

Primary School K-2 Star Student Award Recipients

Here is a list of recipients of the Primary Star Student Awards. Congratulations to all our award recipients on this fantastic achievement!

Primary School Highlights

Harmony Cup Soccer Competition: What an exciting and memorable day for AICS at the Soccer Gala Day! From thrilling matches and dramatic penalty shoot-outs to outstanding teamwork and determination, our students gave spectators plenty to cheer about. Our Year 5 girls and Year 6 girls both performed brilliantly, earning their places in the quarter-finals.

A special congratulations goes to our Year 6 boys, who made us extremely proud by reaching the Grand Final for the first time. Their journey was filled with excitement, with both the quarter-final and semi-final matches ending in draws and being decided through thrilling penalty shoot-outs, which our team won with great composure and courage. Although the Grand Final ended in a narrow 1–0 result, with a late AICS goal unfortunately not counted after the final whistle, the team's outstanding performance remains a significant achievement. Special recognition also goes to our exceptional goalkeepers, Fatwimat Ali and Moeed Mustapha, whose outstanding saves kept our teams competitive throughout the tournament. Congratulations to all our players for their incredible efforts and for representing AICS with pride, passion, and excellence.

Harmony Cup Cricket Competition: Our students proudly represented Harmony Cup Cricket Tournament and delivered an outstanding performance. Both our girls' and boys' teams demonstrated excellent sportsmanship, teamwork, and determination throughout the competition, earning their place in the grand finals. While neither team secured the championship title, both finished as runners-up, achieving an impressive second place overall. We are incredibly proud of their effort, resilience, and the positive manner in which they represented our school. Congratulations to all students involved on a fantastic achievement!

AICS Recycling Rangers!

Ms O'Brien's Year 1 class is overjoyed to represent AICS as our Recycling Mascots. Through their enthusiasm, teamwork, and commitment to caring for the environment, they have already collected enough cans and bottles to purchase another recycling bin for our school.

Bravo to these students for their outstanding efforts and environmental leadership! We are proud of their initiative and the positive example they are setting for our school community.

BREAKFAST CLUB: Breakfast Program – Nourishing Our Students: Our school is proud to offer a **Breakfast Program** for all students, providing a healthy and welcoming start to the school day. Breakfast is served **five days a week (Monday to Friday) from 7:50am to 8:20am**. A nutritious breakfast plays an important role in improving concentration, energy levels, attendance, and overall wellbeing, helping students arrive in class ready to learn and participate fully in their lessons.

Primary Students Welfare

Student Wellbeing Hub

This is your space, where you can find information and advice about important topics like bullying, online safety, communicating with your child and the school, and much more, to help you make your child's learning journey a safe and positive one.

Upcoming Events

- Numeracy Week 30th November
- Dentist Visit-7th November to 4th December 2026
- Years K-2 and 3-5 Annual Awards Assembly- 8th December 2026
- Year 6 Graduation Ceremony 9th December 2026
- Year 6 Rewards Day- 10th December 2026

Reminders

Important Dismissal Guidelines

To ensure a smooth and safe dismissal process, please adhere to the following:

- Parents are requested to pick up their children on time. K-2 students can become anxious, tired, and hungry after a long school day.
- No Playing in the Overflow Carpark: Years 3-6 students are not allowed to run, play, or congregate in the overflow carpark after dismissal.
- Parents must collect their children and leave promptly, as the overflow carpark gates will be locked at 3:30 PM.
- Students who walk home must leave the school premises immediately after being dismissed by their class teachers.

Thank you for your cooperation in ensuring the safety and well-being of all students.

Safety at the School Gate

Please keep our school children safe!

- **There is an increase in selfish acts of driving and parking around the school. Please be reminded that parking across driveways and non-parking areas at any time is illegal and performing 3 point turns on or close to the crossing is dangerous.**
- Please show responsibility and respect when driving around our school. We will not hesitate to forward photos and details of dangerous drivers to the Police.
- **All these rules are to keep our children, you, and others safe. Please help keep each other safe.**

IMPORTANT ANNOUNCEMENTS Asthma and Anaphylaxis Plan Updates: Parents whose children have allergies and/or other conditions need to ensure that College records are up to date. If your child is asthmatic or anaphylaxis, then he/she must have an Individual Action Plan. Please contact our Office as soon as possible so that your child's Action Plan can be updated.

🍎🥛🍞🥪 Breakfast Club – A Great Start to the Day! 🍎🥛🍞🥪

Every school day, our wonderful Breakfast Club operates from 7:50am to 8:20am, providing students with a healthy and nutritious breakfast free of charge.

Students can enjoy a wide variety of breakfast options, including water, juice, milk (including flavoured milk), cereal, toast, fresh fruit, muffins and cakes. From time to time, students are even treated to a special breakfast of pancakes!

Breakfast Club has been established to help remove some of the morning pressures faced by families and support students in arriving at school on time, settled and ready for the day ahead.

It also ensures that **every child** has the opportunity to **enjoy a healthy breakfast**, **helping them to concentrate, participate and achieve their best throughout the school day.**

One of the highlights of Breakfast Club is seeing our students arrive with happy smiling faces, enjoying time with their peers and demonstrating excellent manners. We love hearing students use polite words such as "please" and "thank you" as they make their breakfast choices.

There is no cost for students to attend, and all students are warmly welcome. We look forward to continuing to provide this valuable service and helping our students start each day happy, healthy and ready to learn.

Kindergarten

Welcome to Term 4! It has been a wonderful start to our final term, with the children enthusiastically embracing new experiences, learning opportunities and friendships. There is so much excitement in the air as we look forward to the many special events and celebrations happening over the coming weeks.

Our little scientists have been busy making catapults using paddle pop sticks, exploring the concept of push, pull, and friction. The children loved experimenting with different designs and working together to see whose creations could send objects the furthest!

In Art, we have been inspired by the beautiful work of Gustav Klimt. The children explored patterns, shapes, colours and watercolour, while creating their own Klimt-inspired cat artworks. Each piece is wonderfully unique and reflects the children's creativity and imagination.

We have also been exploring the joy of dance using movement, music and rhythm to express ourselves. Through these experiences, the children are building confidence, cooperation and a wonderful sense of belonging.

Most importantly, Term 4 is a special time for making memories and strengthening friendships. We are so proud of the way our Kindergarten children support, encourage and include one another.

With many exciting events just around the corner, we look forward to sharing a very special final term together!

Ms. Asia Chaabou
KE Teacher

Year One

What an exciting start to Term 4! Our Year 1 students have returned to school ready to learn, grow and embrace the opportunities that lie ahead. It is hard to believe how much the children have developed since the beginning of the year. They have grown academically, socially and emotionally, showing increasing confidence, independence and maturity in all areas of school life.

As we move through our final term together, the students are already beginning to look ahead to the new challenges and opportunities that Year 2 will bring. We are incredibly proud of the progress they have made and know they will continue to achieve great things as they take the next step in their learning journey.

A gentle reminder to families that students who arrive at school on time and with a positive mindset set themselves up for success. Being punctual ensures children are ready to begin learning from the start of the day, while a positive attitude helps them tackle challenges, persevere and produce their very best work.

This term in Physical Education, our Year 1 students will be developing their basketball skills. Throughout the program, students will learn and practise fundamental skills including dribbling, passing, catching and shooting, while also developing teamwork and sportsmanship. The students have already shown great enthusiasm and are eager to improve their skills each week.

Sport takes place every **Wednesday**, and all students are expected to wear their **school sports uniform and school hat** so they can participate safely and comfortably in the activities.

We look forward to a busy and rewarding Term 4 and thank our families for their continued support throughout the year.

Ms Kylie Obrien
1A Class teacher

Year Two

Welcome to Term 4! Grade 2 has jumped into the new term with lots of exciting learning, hands-on activities and opportunities to discover new things!

In **Physical Education**, students are becoming basketball stars as they practise dribbling, passing and shooting. They are building their coordination and confidence while learning the importance of teamwork, communication and good sportsmanship. Keep practising, 2E!

In **Mathematics**, we are getting hands-on with mass! Students are using balance scales to compare objects and investigate which items are heavier or lighter. They are also learning about grams (g) and kilograms (kg) and how we measure the mass of objects in everyday life.

In **Science**, our young scientists are exploring the fascinating world of rocks! Students are examining different rocks and comparing their colours, shapes, sizes, textures and hardness. They are asking questions, making predictions and sharing their discoveries as they investigate what makes each rock unique. Who knew rocks could be so interesting?

It is wonderful to see students embracing new challenges, sharing their ideas and learning through exploration. We look forward to a fantastic Term 4 filled with curiosity, teamwork, discovery and plenty of exciting learning adventures!

Ms. Gehan Hussein
2E Teacher

Year Three

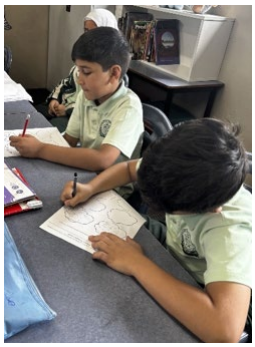

This week, Year 3 explored the different blockers that can sometimes get in the way of our learning.

Students discussed how feelings such as sadness, anger and frustration, as well as habits like procrastination, can make it difficult to concentrate, stay motivated and achieve our goals. Through thoughtful discussions and practical strategies, students learnt that these blockers are a normal part of life and that everyone experiences them from time to time.

The focus was on recognising these feelings, understanding how they affect our learning and discovering positive ways to overcome them. Students explored strategies such as taking

deep breaths, asking for help, breaking tasks into smaller steps, using positive self-talk and taking a short break when needed. By developing these skills, our Year 3 learners are building resilience, emotional awareness and a growth mindset, helping them approach challenges with confidence, perseverance and a more positive attitude towards their learning.

Ms. Fatima Tefaili
3E Teacher

Year Four

Welcome to our final term of Year 4! It is hard to believe how quickly the year has flown by. The students have come a long way since the beginning of the year and should be proud of their growth. They have become more confident, independent and responsible learners, and it has been wonderful to watch their progress.

There are so many exciting learning opportunities planned for Term 4, and students are eager to get started. In English, students will be developing their persuasive writing skills by creating convincing arguments supported by evidence and strong language choices. In Digital Technology, coding continues to be a favourite as students solve problems and create digital projects. In Music, students will explore rhythm, performance and creativity, while Basketball will focus on teamwork, skill development and sportsmanship.

Term 4 is also an exciting time as students begin preparing for Year 5. Families can support this transition by encouraging regular reading, practising times tables and building positive study habits at home. With NAPLAN approaching next year, a little preparation now can help students build confidence for future success.

Thank you for your continued support. We look forward to finishing the year strongly and celebrating all that 4A has achieved together

Ms. Faiza Basharat
4A Teacher

Year Five

It has been an exciting and productive few weeks in Year 5, with students enthusiastically engaging in a range of learning experiences across the curriculum.

In English, students have been exploring the exciting world of slam poetry, discovering how powerful words, rhythm and expression can be used to communicate emotions and ideas. They have enjoyed experimenting with figurative language, developing their creativity and building confidence in expressing themselves.

On the sporting field, basketball has been a highlight! Students have been developing their dribbling, passing and shooting skills while learning the importance of teamwork, communication and good sportsmanship. It has been wonderful to see their enthusiasm and determination during each session.

In Science, our focus has been on sustainability and the importance of caring for our environment. Students have been exploring how everyday choices impact the planet and discussing practical ways to reduce waste, conserve resources and contribute to a more sustainable future.

We are incredibly proud of the effort, curiosity and positive attitudes our Year 5 students continue to demonstrate. We look forward to more exciting learning experiences as the term progresses.

Ms. Mahnoor Rana
5E Teacher

Year Six

During the past few weeks, students from 6E have been exploring a range of influential art movements and discovering how artists use different techniques to communicate ideas, emotions and perspectives. Students investigated Cubism, Surrealism and Impressionism, examining the works and styles of artists such as Pablo Picasso and René Magritte.

Through their own artworks, students experimented with techniques including fragmented shapes and multiple viewpoints in Cubism, unusual imagery and imaginative combinations inspired by Surrealism, and the use of colour, light and visible brushstrokes associated with Impressionism.

These learning experiences encouraged students to experiment creatively and develop their own artistic style while building an appreciation of how art has changed over time. Students proudly displayed their completed works, transforming our learning spaces into a colourful exhibition that celebrated their creativity, effort and growing confidence as artists.

Ms. Svetlana Yogesvaran
6E Teacher

2027 Year 12 SRC

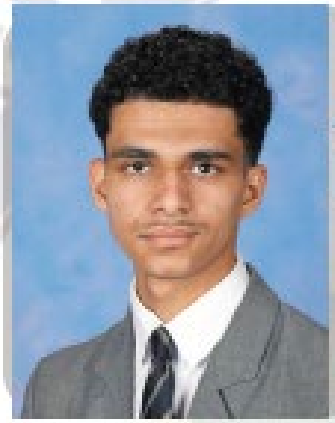

We are proud to announce and congratulate the students who have been selected to represent our Secondary School as members of the 2027 Student Representative Council (SRC). This is a wonderful achievement and a reflection of your willingness to lead, take initiative and make a positive contribution to our College community. We look forward to seeing you embrace your roles, represent your fellow students with pride and demonstrate leadership through responsibility, respect and service to others.

We wish you all the very best as you embark on this exciting journey. May it be a rewarding year filled with growth, teamwork and positive change.

Congratulations to our 2027 SRC Team!

Tues 1st to Thurs 4th	Girls Camp
Thurs 3rd December	Technology & Creative Arts Exhibition
Wed 9th December	Sydney Action Park Excursion
Thurs 10th December	Awards Ceremony
Fri 11th Dec	Last day of Term 4

EVET Information Session – Year 10

On Thursday the 5th of November, the College hosted an EVET Information Session for Year 10 students and parents interested in undertaking vocational education and training (EVET) courses in 2027.

Following the successful introduction of the Certificate III in Allied Health Assistance in 2026, the College is excited to expand its EVET offerings in 2027 with two courses: **Certificate III in Allied Health Assistance** and **Certificate III in Business**, delivered in partnership with the **University of New England (UNE)**.

The information session provided students and parents with an overview of the courses, including course structure, delivery arrangements, costs and the opportunities these qualifications offer. These programs provide students with the opportunity to gain nationally recognised qualifications while completing their HSC, equipping them with valuable practical skills and opening pathways to further study and employment.

We look forward to supporting our students as they take advantage of these exciting opportunities in 2027.

For further information about the 2027 EVET programs, please contact the College and ask to speak with the Careers Advisor.

Model Global Parliament – Developing the Next Generation of Global Leaders

In June 2026, a team of our Year 11 students represented the College at the Model United Nations event hosted by Unity Grammar. Following their outstanding performance and success in the competition, our students were honoured with an invitation to participate in the prestigious Model Global Parliament (MGP), held on Monday, 9 November 2026, at the NSW Parliament House.

The Model Global Parliament provided students with a unique opportunity to experience parliamentary proceedings firsthand, engage in formal debate and explore complex global issues from an international perspective. Representing the United Kingdom, our students were required to consider international affairs, develop informed arguments, negotiate differing perspectives and communicate their country's position on a range of important issues.

Throughout the event, students demonstrated their ability to think critically, articulate well-supported arguments and engage respectfully with opposing viewpoints. Competing alongside equally strong teams from other schools, they represented the United Kingdom and the College with confidence, professionalism and maturity. Their participation showcased the importance of diplomacy, collaboration, leadership and effective communication in addressing global challenges.

Experiences such as the Model Global Parliament extend learning beyond the classroom, allowing students to apply their understanding of international relations, politics and global citizenship in a practical setting. They also provide valuable opportunities to strengthen public speaking, negotiation, research and decision-making skills, while developing a deeper appreciation of Australia's parliamentary system and the role of international cooperation.

We are extremely proud of the following Year 12 students for their dedication, commitment and outstanding representation of the College:

- Raadiyah Rais
- Ruheen Kurawala
- Labeebah Irfaq
- Ismail Mahmoud
- Adam Mohamed

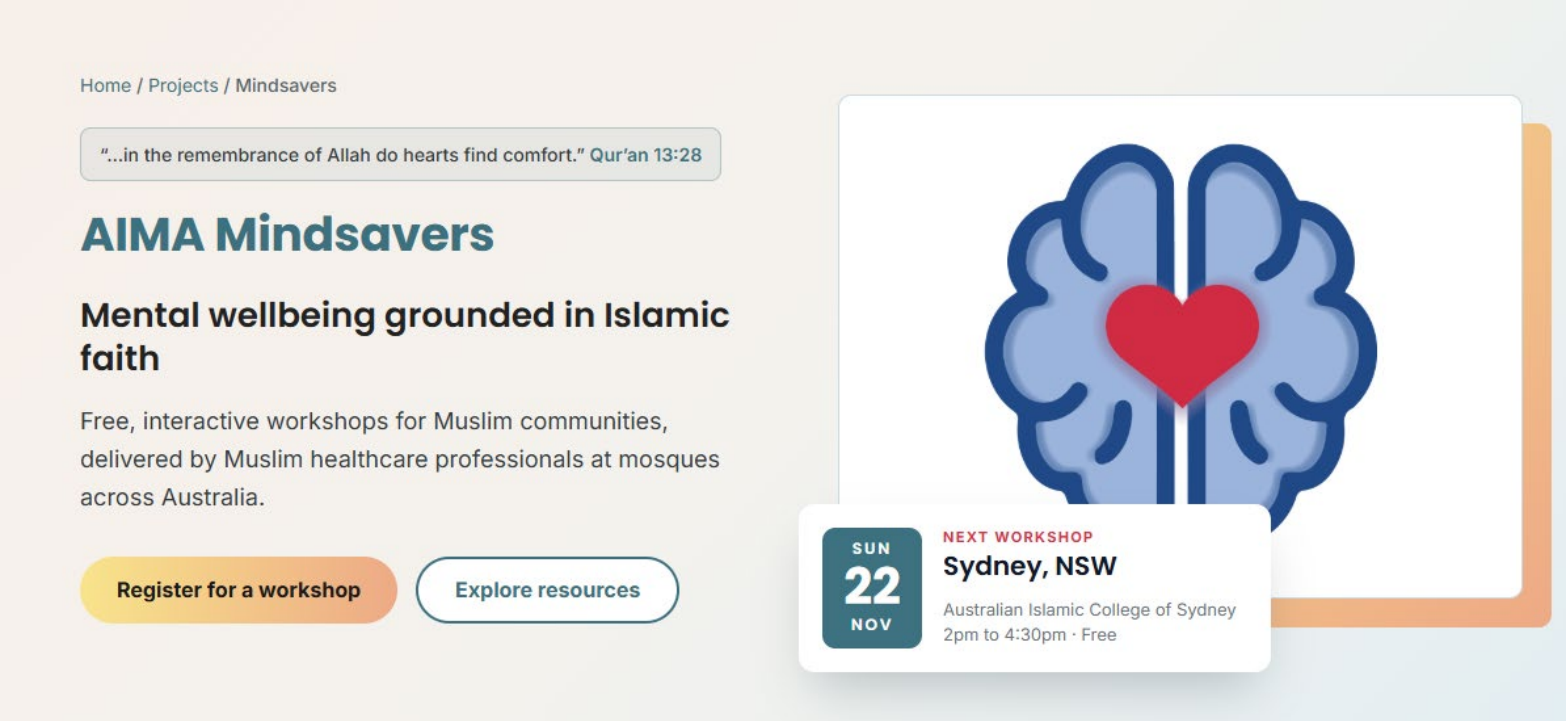

We congratulate each of these students on this significant achievement. Their journey from success at the Model United Nations competition in June to representing the United Kingdom at NSW Parliament House is a testament to their hard work, enthusiasm and willingness to embrace new challenges. We look forward to seeing them continue to develop as confident, informed and engaged global citizens and future leaders.

Ms. Tayyibha Hussain
Careers Advisor/ Stage 6 Coordinator
