WELCOME TO PRIORY FIELDS

WHERE COASTAL CHARM MEETS CONTEMPORARY LIVING

Priory Fields is an exceptional collection of thoughtfully designed homes set within the historic and picturesque seaside town of Skerries. Carefully planned to maximise natural light and comfort, these homes offer a refined balance of contemporary living and timeless coastal charm, creating a place where beautiful homes meet inspired living.

Set along north Dublin's stunning coastline, Skerries is a vibrant and much-loved seaside town, celebrated for its natural beauty, rich maritime heritage and strong sense of community. With its colourful harbour, expansive sandy beaches and lively town centre, Skerries strikes a rare balance between relaxed coastal living and everyday convenience. Outstanding schools, inviting bistros, cafés, bustling markets and a wide range of outdoor pursuits combine to create a vibrant lifestyle, enriched by fresh sea air and a warm, welcoming atmosphere.

The new one-,two-and three-bed homes at Priory Fields are being offered to new purchasers under the Local Authority Affordable Purchase Scheme.

In this initial sales phase, 36 Affordable Purchase homes will be made available to eligible buyers through the Local Authority Affordable Purchase Scheme. This includes one-bedroom apartments and two- and three-bedroom duplexes at Priory Fields.

The scheme is available to eligible applicants seeking to purchase a newly built home who require additional funding to bridge the gap between their mortgage and deposit and the cost of the home.

In return, Fingal County Council will take a percentage equity stake in the Affordable Purchase home. The Council's equity stake will be equal to the discount of the purchase price from the full market value of the home.

WHERE COASTAL CHARM MEETS CONTEMPORARY LIVING

Skerries is renowned for its exceptional coastal setting and the outstanding quality of life. The town's west-facing harbour provides a stunning backdrop to daily life, where evenings can be spent dining by the water as the sun sets over the sea.

Priory Fields is ideally located just off Golf Links Road, minutes from Skerries town centre, placing residents at the heart of a vibrant, active coastal community. From scenic beaches and coastal walks to independent boutiques, renowned restaurants, a bustling harbour and a variety of sports clubs including golf, rugby, GAA, sailing, cricket and soccer, everything that makes Skerries so special is on your doorstep.

LIFE OUTDOORS

LEARN, WORK, PLAY & DISCOVER

Nature is woven into everyday life in Skerries. The Skerries Coastal Walk loops for 1.5km around Red Island, connecting the rugged North Beach with the calmer South Beach, ideal for family days out. Along the trail, pause by the Martello Tower, watch the waves, or admire the Mourne Mountains on the horizon.

Ardgillan Demesne offers sweeping views, woodland walks and manicured gardens surrounding an 18th-century manor house. Visitors can enjoy a tour of the castle or relax with afternoon tea in the drawing room. For cultural exploration, the St Patrick's Way and Art Trail presents five commissioned sculptures along an easy coastal walk, blending local history with contemporary art.

HERITAGE, MARKETS & MARITIME CHARACTER

Skerries' heritage is ever-present, from the iconic Skerries Mills, milling flour since the 12th century, to the weekly farmers' market filled with local produce such as fresh seafood, artisan breads, seasonal strawberries and Queen potatoes from nearby Rush. This blend of old and new gives the town its distinctive charm: a place that honours its roots while embracing modern living.

AFFORDABLE PURCHASE SCHEME

The homes at Priory Fields are being made available under the Affordable Purchase Scheme, delivered in partnership with The Land Development Agency (LDA) and Fingal County Council (FCC) and built by Lydon.

The Local Authority Affordable Purchase Scheme is designed to support buyers who are ready to begin their journey to homeownership but need help bridging the gap between their mortgage, savings, and the full price of a newly built home. Applicants who are eligible for the Fresh Start Principle may also be eligible for the scheme.

Under the Local Authority Affordable Purchase Scheme, homes are sold at a reduced price below open market value, with the exact price calculated by the local authority based on your income and mortgage capacity. The local authority contributes the difference between the market value and what you pay, retaining

this contribution as an equity share in your home.

Each property has a Minimum Sale Price, already set below market value, and you must be able to show you can meet this amount through a combination of mortgage, savings, and (if eligible) the Help to Buy scheme. If your income and borrowing capacity are higher, the purchase price will reflect that. Over time, you can choose to redeem or “buy out” the local authority’s equity share in part or in full, although there is no obligation to do so. Certain events, such as selling your home, will trigger repayment of the equity share, as set out in the Affordable Dwelling Purchase Agreement, which should be reviewed carefully with your solicitor.
