Important Updates

JGS has new student phone pouches!!

Mr. Bellantuono and staff will conduct random classroom checks to ensure phones are properly stored in pouches. If a student does not have a phone in a pouch, uses a burner phone, or refuses a check, disciplinary consequences will follow. Continued patterns will require a parent or guardian to pick up the device. iPads are not permitted and are considered internet-enabled devices.

Students must have an ID everyday to enter the building
