HOW YOU CAN GET INVOLVED

Volunteer

Torrid allows each employee 8 hours per quarter to volunteer for an organization of your choosing.

Participate

Throughout the year join us for activities that support our charity partners.

Donate

As a full-time regular employee of Torrid, you have the opportunity to enroll for a bi-weekly payroll deduction to donate to the Torrid Foundation.

If all HQ Employees were to participate in our payroll deduction program by donating just $1 each paycheck, the Torrid Foundation could raise over $21,000 annually!

Because there is strength in numbers, let's do this together.
