

Consent for the Use of mdhub

I, _____ (Full Name of the Patient/Client), hereby give my consent for the use of mdhub during my medical consultations and appointments.

About mdhub:

mdhub facilitates the generation of medical notes from the natural conversations occurring between caregivers and Patients/Clients. Its primary aim is to enable healthcare professionals to dedicate their attention to Patient/Client care while ensuring the maintenance of precise and punctual documentation.

Data Utilization:

- **Documentation:** mdhub assists in drafting medical notes derived from discussions during consultations.
- **Quality Assurance:** The data gathered may serve for quality assurance and ongoing enhancements within mdhub and the respective clinic or hospital.
- **Compliance with Regulations:** Both mdhub and the healthcare facility will adhere to federal, state, and local laws, including HIPAA, governing the collection, utilization, and disclosure of this information.

Limitations of mdhub:

mdhub does not promise that its technology will result in enhanced medical outcomes, expedited diagnoses, or specific medical benefits.

Data Privacy:

mdhub prioritizes the privacy and security of your data. All information collected and processed by mdhub is handled meticulously and in accordance with relevant privacy legislation.

mdhub's full Terms of Service & Privacy Policy are available for review online:

- Terms of Service: <https://www.mdhub.ai/terms-of-service>
- Privacy Policy: <https://www.mdhub.ai/privacy>
- BAA: <https://www.mdhub.ai/business-associate-agreement>

Withdrawal of Consent:

You have the right to withdraw your consent to the use of mdhub at any time by notifying your healthcare provider in writing.

By signing below, I acknowledge that I have read and understood the above information, and I voluntarily consent to the use of mdhub in my medical consultations.

Patient/Client's Signature: _____ **Date:**

Parent/Guardian's Signature (if applicable): _____
Date: _____
