WORK ON YOUR SECURITY, NOT JUST YOUR CRAFT.

Character Over Competence

- What matters more, what Scripture says about me or what my church leadership says about me?
- Am I able to genuinely celebrate others?
- How do I respond when I make a mistake?

YOUR CALLING ISN'T IN QUESTION, YOUR CONFIDENCE IS.

Unready \neq Uncalled

- Where have I been questioning my calling when God may actually be growing my confidence?
- What step of obedience have I been delaying because I don't feel "ready" yet?

YOU NEED A MENTOR, A FRIEND, AND A TIMOTHY.

UP »» IN »» OUT

- Do I seek out mentorship and wise counsel from those with more experience than me?
- Do I have a friend whose relationship goes beyond just ministry?
- Am I investing in someone intentionally?

THE ASSIGNMENT CHANGES. THE STANDARD DOESN'T.

Faithfulness > Titles/Positions

- Am I resisting a new season because I'm attached to an old assignment?
- What faithfulness looks like now may not look like it did before—am I willing to adjust?
- If God removed my title today, what part of my obedience would remain unchanged?

FIND JOY IN EVERYTHING YOU DO.

Joy Is A Decision

- Am I having fun in ministry?
- Are my team members joyful as we do ministry together?
- When things out of my control happen, how do I respond?

DON'T BUILD SOMETHING THAT BREAKS YOU.

Built To Last

- What am I currently sacrificing that God never asked me to give up?
- What would healthy ministry look like if I planned to still be doing this in 20 years?
- Who pays the price when I overextend myself?
