ALTO

Length
in mins

Instructions

0:00 Audition Video Requirements

- See attached written guide for recording quality audition videos ---->
- You must use the mp3 labeled RECORD while recording your video audition
- Please record a separate video for each song on this plan
- We suggest uploading to YouTube as an "unlisted" video - please do not delete it for at least 2 months

0:00 What Are We Looking For?

Vocal Blend - Vocal Control - Attention to Detail - Confidence - Versatility - Vocal Tone - Energy

Criteria explained in attachment ----->

Audition Files for Alto

0:00 Please Submit Videos for BOTH Parts Below:

Whether you want to be a lead vocalist, supporting vocalist or both, we still ask to hear you sing both parts!

0:00 *Lead Vocal Audition [GOODNESS OF GOD]* [Alto Audition in Ab: Goodness of God (Lead Vocal)]

This doesn't necessarily determine whether you will or will not lead songs with us, it simply provides us with the opportunity to hear you as the primary vocalist and see how you carry the entire song on your own. Lyrics, practice file and click track for recording are attached here --->

0:00 *Supporting Vocal Audition [CHRIST BE MAGNIFIED]* [Alto Audition in Abm: Christ Be Magnified (Harmony)]

This provides us with the opportunity to hear you how you carry HARMONY parts and support the lead vocal. Lyrics, practice file and click track for recording are attached here --->

Now What?

0:00 Email Audition Videos to Your Worship Director

Review your videos, ensuring the quality is good and you're confident in what you've played. Email your Worship Director (or another designated person if previously instructed to do so) with your audition video links in the format provided in the instruction guide. You will receive a reply with next steps for you once the evaluation of your audition is complete.
