Your Facilitator's Pledge

I/we, having been trained and qualified as facilitators/mentors, and desiring to provide biblical guidance to help foster healthy growth:

1. Maintain the confidentiality of all discussions taking place during sessions with couples and/or individuals, disclosing information only to Bayside staff and/or pastors as deemed necessary.
2. Honor all scheduled appointments, arriving at or before the scheduled time, or to provide adequate notice in the unlikely event there is a need to reschedule.
3. Come well prepared for each session, both with all necessary materials and having devoted adequate time to study, research and prayer.
4. Help couples and/or individuals to reach decisions or solve problems through guided dialogue rather than directly giving advice or pointing out the solution.(SYMBIS requirement)
5. Be willing to admit to not having an answer for every question, but ready to research and provide reference to appropriate sources.
