

## Redefining Love Test

**Which of the qualities of LOVE do you find the most difficult to live out?**

*1 Corinthians 13: 4-7 (AMP)*

*“Love endures with patience and serenity...*

It doesn't only look for immediate change, but patiently waits

*love is kind and thoughtful...*

Rather than wounding, it encourages

It is always thoughtful in actions, attitudes, and words

*and is not jealous or envious...*

It celebrates when your spouse is celebrated

It does not compare or try to one-up

*love does not brag and is not proud or arrogant....*

It actually admits faults and failures instead of pretending they don't exist

*It is not rude; it is not self-seeking...*

It finds joy in serving the other and putting their needs first

*it is not provoked [nor overly sensitive and easily angered]; it does not take into account a wrong endured...*

It gladly overlooks small offenses and it graciously forgives larger ones without bringing them up later

*It does not rejoice at injustice, but rejoices with the truth [when right and truth prevail]...*

It values honesty and honor

*Love bears all things [regardless of what comes]...*

*believes all things [looking for the best in each one]...*

*hopes all things [remaining steadfast during difficult times]...*

*endures all things [without weakening]."*
