COMFORT **ELITE** REPLACEMENT WINDOWS

SUPERIOR STRENGTH

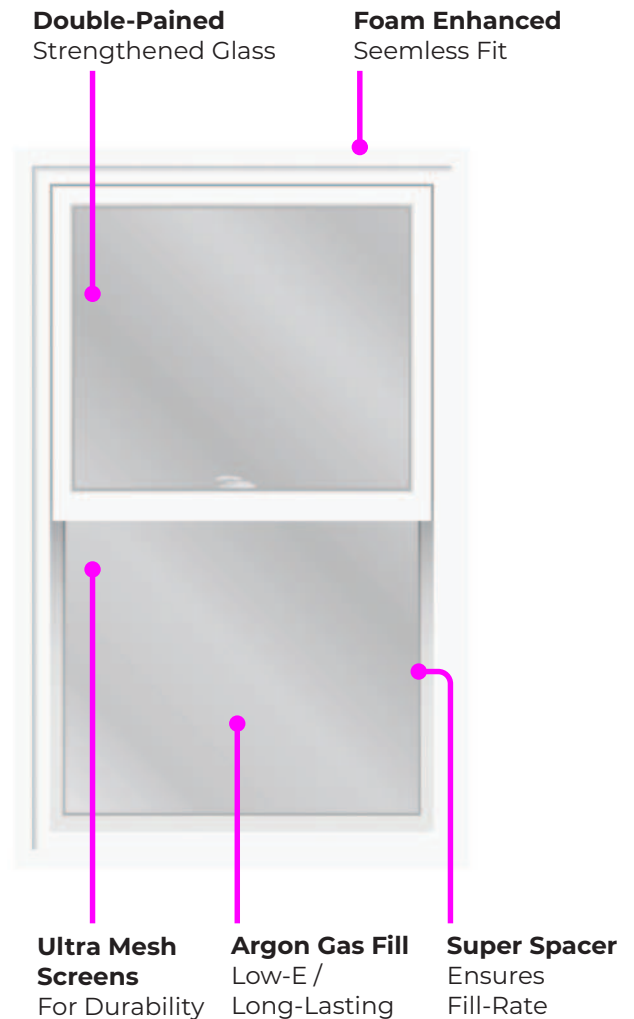

Our windows feature a reinforced double pane glass with interlocking sashes which greatly increase structural integrity. Long-lasting Argon gas fills the space between the glass and for an additional layer of protection.

SEALED FOR LIFE

Our windows are made with super spacer technology, which enables our windows to start with the highest possible gas fill rate and retain it for much longer. Plus, we ensure a tight fit! All gaps are tightly sealed eliminating draft and reducing your heating and cooling bills.

MAINTENANCE FREE

Our durable and dependable screens will keep the outside out while letting you enjoy air flow in your home. Plus, they're covered by our warranty!

BUILT TO LAST

PROTECTION. PEACE OF MIND.

Backed by our Double Lifetime Warranty which covers all pieces and parts screens, glass systems and frames, all locks and hardware, and all installation and labor.

Warranties from Window Comfort are 100% non-pro-rated and 100% transferable to a subsequent homeowner for a period of 30 years.

One of the BEST warranties in the industry!
Available on WINDOWS & DOORS

ABOUT US

— WINDOW COMFORT EXCLUSIVE —
COMFORT ELITE
REPLACEMENT WINDOWS

FAMILY-OWNED, GEORGIA-GROWN

As a Georgia window replacement company, we take great pride in furnishing our friends and neighbors with products that will last for years to come. What's more is we've designed our exclusive window line specifically for the harsh Georgia climate, while other national window companies are selling generic, "one size fits all" windows.

TIMELY, SUPERIOR WINDOW INSTALLATION

While others use low-grade subcontractors, we have our own in-house master craft and certified installers and an experienced window design team. Your windows are installed quickly since we go factory-direct.

WE ARE YOUR GEORGIA REPLACEMENT SPECIALISTS

With decades of experience and expertise installing and re-placing all types of windows, our experts at Window Comfort are dedicated to your total comfort and satisfaction with the highest quality products at unbeatable prices.

WINDOW REPLACEMENT IN GEORGIA? GO STRAIGHT TO THE SOURCE

Most window replacement companies in Georgia use other manufacturer's products. At Window Comfort, we cut out the middleman with our own exclusive line—and pass the savings on to you.

- Better Quality Windows, Right Here in Georgia
- Direct-From-the-Manufacturer Cost Savings
- Unlimited Lifetime Warranty
- In-house Master Craft & Certified Installers
- Faster Installation & Service

COMFORT ELITE
REPLACEMENT WINDOWS

INNERGY™ SASH FRAME OPTIONAL

Innergy™ is the innovative, energy-efficient alternative to aluminum. Rigid Thermal Reinforcements are advanced fiberglass reinforced resin inserts, designed to slide easily into window and door frame chambers for greater support and insulation.

Better Thermal Performance

Up to 700 times better than aluminum in material-to-material comparisons.

Better Thermal Break

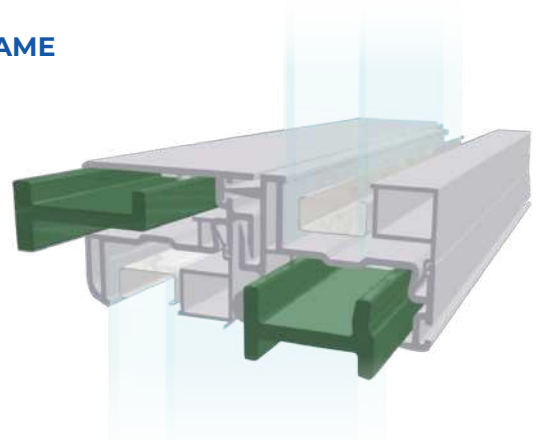

Impervious to cold or heat.

Better protection against condensation

Helps prevent staining that can occur with metal reinforcements.

Better flexibility

Will not permanently set when impacted.

WINDOW SYSTEM ADVANTAGES

Our replacement windows are all designed with the True Position® Balance System for the best performing balance in the industry.

Separate Extrusion for Head of Window

Twice as much sash & frame overlap when closed. Reduced air infiltration.

OUR WINDOW

THEIR WINDOW

True Sloped Sill

Rain runs straight off the sloped sill away from the home. No weep holes to clog.

A poor design filters rain run-off through the window extrusion and out weep holes. Weep holes may clog.

OUR WINDOW

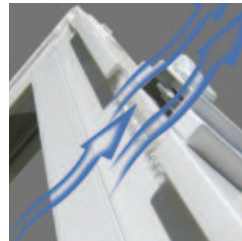

THEIR WINDOW

OUR WINDOW

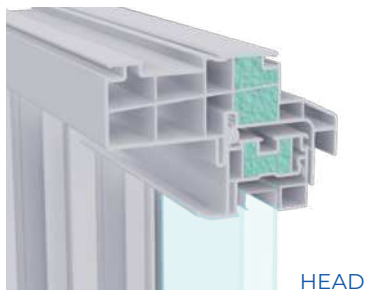

THEIR WINDOW

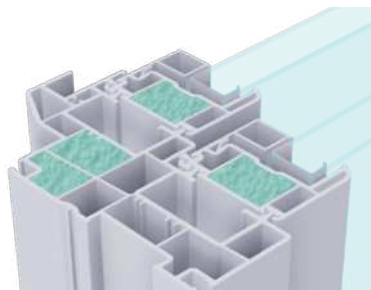

Continuous Interlock

Meeting rails join with a continuous over & under interlock. Condensation and air infiltration are reduced. Many competitors notch-out lock area, sacrificing performance.

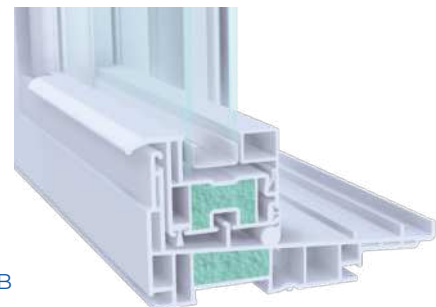

FOAM FILLED INSULATED EXTRUSIONS

HEAD

JAMB

SILL

FOAM FILLING BENEFITS

Not all vinyl-framed windows are created equal. Some are insulated; some are not. Your energy dollars could be leaking out of your window frames if they are not filled with ENVIRONMENTAL GREEN™ polyurethane foam - the same type of foam that insulates your refrigerator and thermos.

Our window frames insulated with ENVIRONMENTAL GREEN™ foam give you:

- Increased Energy Savings
- Lowers the U-Value which increases thermal performance

Maximize your window energy efficiency. Insist on ENVIRONMENTAL GREEN™ polyurethane foam-filled window frames.

DOUBLE HUNG & GLIDERS

COMFORT

ELITE

REPLACEMENT WINDOWS

Black Interior/Exterior option

3 Lite Glider: ¼ - ½ -¾

2 & 3 LITE GLIDERS

Our glider windows operate smoothly with brass rollers. Sash lifts out for safe and easy cleaning inside the home. Standard operable panel screen[s]; Optional full screen | 2 lite - half screen 3 lite - active panel screen[s]

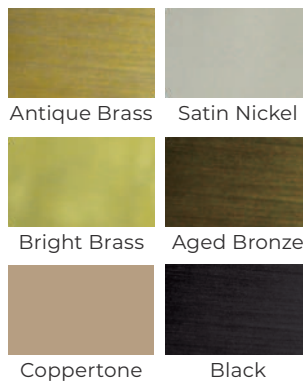

DOUBLE HUNG

True Position® Balance System: Patented roller tilt constant force springs travel with the sash. This allows the sash to operate with significantly less friction and noise. Friction adjusting set screw available to allow adjustment of the brake to eliminate sash drift.

- Top & bottom sash tilt inside for safe cleaning with recessed tilt latches
- Double sash locks on windows 26"wide and over
- Standard half screen, optional full screen

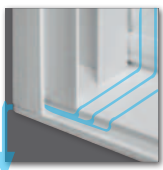

PLATED LOCK FINISHES

Available in the Double Hung, Glider, Three-Lite Slider and Casement Windows.

2 Lite Glider
