

Say Hello To Better Health!

Introducing your Dedicated Client Service Partner.

Understanding and using your health plan can be challenging at times, and we are here to assist. They are here to help you to navigate your Cigna benefits and achieve the best possible outcomes. Sometimes calling customer service is not the most convenient option, schedule time with them to discuss at a time that is works for you!

How They can help.

- Understand your plan benefits.
- Find in-network healthcare providers and arrange care.
- Investigate and answer questions regarding claims and authorizations.
- Help resolve medical billing discrepancies.
- Provide education on Cigna Healthcare programs, services and benefits available to you.
- Ensure you get the most from your health plan.
