

# Community Event Fundraiser for Childcan

Thank you for making a difference in the lives of families affected by childhood cancer by raising both awareness and funds. We'd love to know what you're planning on doing and how we can help. Please complete this short form to get started.

## Who are you and how can we contact you?

Please include your full name, any organization(s) you are fundraising with, email, telephone number, etc.

## What event are you planning?

Please let us know if you have a name or theme for your event, location, date(s), times, how you hope to raise funds, what inspired you to raise funds for Childcan, if there are any other charities involved, etc. If you are still early in your planning stages, that's great too. We can work out the details together.

## How can Childcan help?

Please let us know if you would like us to list your event on Childcan.com, mention you on social media, provide signage or brochures (depending on timing and availability).
