Parents – let's get you connected.

Here are the different ways for **Parents** to digitally connect and communicate at JSR.

JSR School App

The **JSR School App** will be your **primary source** of communication with JSR, and **all parents should download it.**

Here, you can keep up to date with the School calendar, term dates, notices and letters, events and all our co-curricular activities.

Additionally you'll find links to:

- **SEQTA and Consent2Go**
- **Bus Routes**
- **Out of School Care**
- **Uniform Shop Information**
- **Parents & Friends Community**

We recommend allowing the JSR School App to send you notifications, and checking your subscription preferences each year to match your needs.

SEQTA Engage

SEQTA is where you'll find all curriculum information and key documents regarding your child's academic progress at school.

These include:

- **Timetables**
- **Lesson information**
- **Homework**
- **Reports and teacher feedback**
- **Lodging absentees**
- **School Policies**
- **Daily student notices**
- **Finance to pay fees**

While SEQTA Learn is tailored especially for students, **SEQTA Engage** is a dedicated parent interface, and we encourage you to visit regularly.

While SEQTA is more widely utilised in Secondary, Primary parents can access assessments, school reports, NAPLAN, notices and absentees through the SEQTA platform.

consent2go

Consent2Go for Schools is used to collect **student health information, photo consent, and excursion/event permissions and payments.**

Please update family details and permissions regularly

New parents will receive a verification email and must verify their account **before** using the app.

Once setup, you will receive email notifications to confirm attendance for student events.

email Important Letters from the Principal, along with any personal correspondence, will always be **emailed**. Please initially check your emails haven't gone to junk.

You can also email your child's PCG Tutor or subject teacher if necessary.
