

A New Chapter Begins -

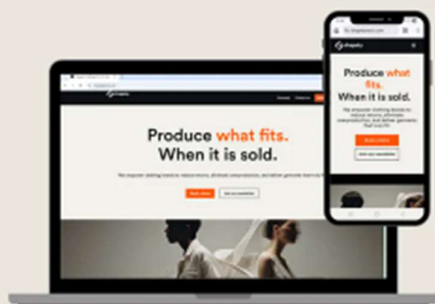

We launched our new Website!

This week we **launched** our new website at **ShapelyTech!** 🎉

This launch marks an important step forward for us, and we're excited share a space where you can explore who we are, what we stand for and what we at [ShapelyTech](#) are building.

Alongside our website, we've also launched our social media channels. This means more ways to connect, stay inspired and be part of the conversation.

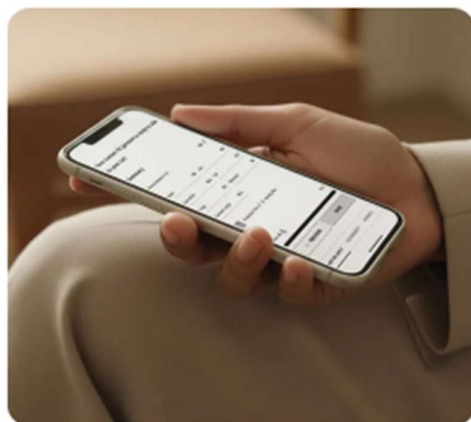

We will share updates, behind-the-scenes moments and ideas including our vision and values.

See what **Shapely** is really about

Our Goal is to not only be a strategic partner on your side, but shape the fashion industry of tomorrow and make every piece of clothing fit for everyone!
