**Built Date** 1919

**Change Date**

**Description** A single storey Inter-war building using Classical elements such as simple pilasters, a parapet and mouldings, demonstrating the interest in revival styles at this time. The building has a long facade, divided into nine bays along Macalister Street. A corner entry appears to have been replaced.

Condition & Integrity: Changes to the window openings have changed the appearance of this building.

Place type: Commerce

**Final Ranking**

Local significance

**Final Recommendation**

**Statement of significance** The former AMP building contributes to the heritage of Sale as an example of Classical revival architecture in the Inter-war period, built at the start of a period of redevelopment of the commercial centre. It forms an important corner element in the significant Town Centre Precinct.(D.2, E.1)
