

CAP BLADES & AVIONICS PLAN STREAMLINED COVERAGE.

Are you looking to simplify your operations and protect your residual aircraft value by only paying for the coverage you need? We hear you. With the Blades & Avionics Customer Advantage Plan (CAP), pay one upfront lump sum to receive coverage on your new Bell 505's blades and avionics for up to 5 years or 1000 flight hours, depending on which milestone occurs first. This plan was designed with you in mind. It provides the reliable support Bell is known for, coupled with manageable coverage for low-flying operators.

Bell 505 Avionics

Bell 505 Rotor Blades

COVERAGE YOU NEED, PRICED FOR YOU.

Why choose robust coverage if you aren't flying your Bell 505 like a workhorse? That's exactly the sentiment we had when we developed the straightforward Blades & Avionics CAP plan. Make only one lump sum payment to protect your new Bell 505. That's it.
