Refer a coworker to TELUS and save even more. Earn a bill credit for each activation.²

Visit: telus.com/refer

1. Many insurance providers in Canada offer a discount to policyholders who have a home alarm system. You may be required to provide your insurance company a copy of your TELUS SmartHome Security insurance certificate. Contact your insurance provider to get more information. 2. Offer available for referees who activate a mobility account with TELUS. Referees receive a total of \$50 in bill credits for a successful referral. The referrer will also receive a total of \$50 in bill credits. Referrers have a limit of 6 successful referrals with a maximum total value of \$300 per calendar year. Visit telus.com/refer-a-friend for full terms and conditions. Referral credits will not be awarded for past activations where the new line was not referred as per referral program terms. A one-time \$50 connection fee applies per line. Offer available for new activations only. Offer is available for a limited time and subject to change at any time without further notice. Consumer accounts only. Bill credit will be applied upon order completion and will appear on your 4-8 weeks after activation. Bill credits are non-transferable, can only be applied to pay for services charges, and carry no cash value after deactivating your services. Credit provided is discretionary and includes applicable taxes (based on the taxes levied in the province of supply) therefore the value displayed on your bill is the value before tax. For example, a \$10 discretionary credit towards Internet service offered in BC includes \$0.62 PST and \$0.45 GST, meaning the credit value displayed will be \$8.93. The \$0.62 PST and \$0.45 are captured as reductions in the amount of tax charged on your balance owing. For more information and examples that apply to other home services, please visit telus.com/billcredits. © 2024 TELUS. 24-0689
