

Committed to Being the Best

Principles

We **take care of ourselves** and the people we work with.

We **behave professionally** and take pride in the work we do.

We **work as a team** to successfully deliver our services.

Expectations

Safety is a **Core Value** - we **STOP** unsafe work and correct unsafe conditions.

We strive to **minimize our impact** on the environment.

We are **compliant** with all CEDA policies, practices and procedures.

We keep our **workplace clean** and organized.

We ensure our **equipment is clean** and in top working order.

We **diligently plan and schedule** our work to complete the job flawlessly.

We **actively listen** to our clients to ensure we meet their expectations.

Achieving Our Vision

To be the dominant provider of specialty industrial and environmental services in the markets we serve.
