Naughty or Nice?

If you decide that you really want to put the “naughty” in “Naughty or Nice” this year, we’ve got some clever ideas. Remember, once someone completes a qualifying activity, they can swap gifts. So, consider adding one of these “lumps of coal” into the mix and watch people scramble to complete activities to trade them away. Maybe too mischievous, maybe a great laugh... we’ll let you decide.

- ◆ Clean up the office after the party
- ◆ Take out the trash
- ◆ Wash/put away the dishes
- ◆ Dress up like Santa for the holiday party
