### RADIANCE-BOOSTING LED LIGHT THERAPY

Enhance your spa experience with the rejuvenating power of LED Light Therapy. This luxurious, non-invasive treatment uses advanced light technology to target specific skin concerns and promote a radiant, glowing complexion. Choose from the following options to tailor your experience:

- **Red Light:**  
Stimulates collagen production, reduces fine lines, and restores youthful elasticity for a smoother, more youthful appearance.
- **Blue Light:**  
Targets acne-causing bacteria, helping to clear breakouts and prevent future flare-ups, leaving your skin clear and calm.
- **Amber Light:**  
Soothes and calms the skin, reducing redness and promoting an even, balanced tone for a healthier glow.

Add this revitalizing treatment to any facial, massage, or body treatment to boost your results and leave your skin feeling refreshed, balanced, and glowing from within.

15 min - \$20 / 30min - \$40
