	Brix at Harvest:	20.4
	Bottled:	18 September 2009

Viticulture and Wine Making All Carrick Rieslings are hand harvested, and picked early to preserve the powerful floral aromatics and bright citrus acidity which are characteristic of Central Otago. The wine has been whole bunch pressed and fermented with wild yeast. The gentle handling of this wine means that it has been bottled without fining.

Tasting Notes The nose has all the typical Central Otago citrus notes of lemon and limes as well as white peaches, delicate florals and flint characteristics. The palate is bright and focused with a solid core of nectarine, red delicious apples and tangelos which tapers into a steely, dry, mineral finish. This wine would benefit from cellaring.
