Viticulture and Wine Making	All Carrick Rieslings are hand harvested, and picked early to preserve the powerful floral aromatics and bright citrus acidity which are characteristic of Central Otago. The grapes for this wine come solely from our Lot 8 block. The wine has been whole bunch pressed and fermented with wild yeast. The gentle handling of this wine means that it has been bottled without fining.		
Tasting Notes	A classic Central Otago nose of citrus fruits, florals, and also white peaches. The palate is packed with juicy pink grapefruit and the zesty lime acidity is balanced nicely with the residual sugar. This is a delicately poised wine with a lively fruit and honeysuckle finish.
