Viticulture and Wine Making	<p>All Carrick Rieslings are hand harvested, and picked early to preserve the powerful floral aromatics and bright citrus acidity which are characteristic of Central Otago.</p> <p>The grapes for this wine come solely from our BioGro certified organic vineyards. The wine has been whole bunch pressed and fermented by wild yeasts.</p>												
Tasting Notes	<p>Riesling has the ability to provide an abundance of aroma that balances with an intensity of flavour. The result is a standalone glass of wine, it's refreshing nature makes it suitable as an aperitif. The low alcohol content of the Josephine Riesling allows the weight and texture to linger in the mouth. Slowly revealing juicy mandarin characters that increase into concentrated tangerine flesh flavours.</p> <p>If an accompaniment is preferred, we suggest simple poached fruit.</p> <p>This wine will age far into the future.</p>
