

## 2019 CARRICK PINOT BLANC

Carrick Cairnmuir Terraces Vineyard, SWNZ BIOGRO-5056

The Carrick Pinot Blanc is made from estate grown, BioGro certified organic grapes grown in a small 0.4 ha block on Carrick's lower Cairnmuir Terrace Vineyard in Bannockburn. The 2019 represents our second release of this wine. Upon harvest, the grapes were whole-bunch pressed and wild fermented in old oak barriques, where it underwent lie-stirring during ferment. The wine then matured for 7 months in barrel.

Origin: Cairnmuir Terraces Vineyard, Carrick, Bannockburn, Central Otago

Additions: SO<sub>2</sub>, Bentonite, Yeast Hull Supplement

Filtration and/or Fining: Bentonite Clay (Protein Fining), Sterile Filtration

Acidity: 6.3 g/L TA

Residual Sugar: 0.85 g/L

Alcohol: 13.5% abv

TSO<sub>2</sub> at bottling: 100 mg/L

Bottled: 25 November 2019

Cases: 444 x 6 bottle cases produced.

*The 2019 Pinot Blanc showcases green plum and toast aromas. It is zippy and tight with good acid, nice balance and depth.*

Organically certified since 2008, to EU equivalence.
