

2020 CARRICK ROSÉ

Carrick Bannockburn Vineyard, SWNZ BIOGRO-5056

The Carrick Rosé is made from estate grown, single vineyard, BioGro certified organic Pinot Noir grapes. The wine is made with two techniques – saignée or bleeding wine off skins and direct pressing the grapes on arrival at the winery - as per a white wine. The juice was fermented in old oak barrels using ambient or wild yeasts, where it was allowed to mature for 4 months. Blended, filtered, and fined using Bentonite, it was then bottled.

Origin: Le Chateau Vineyard, Carrick, Bannockburn, Central Otago

Hand-picked in: March 2018

Additions: Sulphur Dioxide (PMS), Yeast Hulls

Filtration and/or Fining: Bentonite Clay (Protein Fining), Sterile Filtration

Residual Sugar: <2.0g/L

Alcohol: 13.5% abv

TSO2 at bottling: 88mg/L

Bottled: October 2020

Cases: 630 x 6 bottle cases produced.

The 2020 Rosé is a dry style, with a pale salmon hue. Drawing inspiration from the Provence Rosés of the South of France, It is refreshing, yet has good weight and depth. With notes of raspberry coulis, fresh strawberries, and lime, it is a perfect wine for lunch or as an appetizer with nibbles.

Refreshing, delicious and fun.

Organically certified since 2008, to EU equivalence.
