How to Share Tandem Source Reports with Your HCP

1. Visit source.tandemdiabetes.com and log in to your account
2. Click on the Account Settings (blue circle) option in the top right corner
3. Click Share Reports and then Add Clinic to search for the endocrinology group
4. Select the State and then search for the clinic by name or address
5. Select the endocrinology group and click Start Sharing

Note: Not all screens are shown
