

## GDPR & Global Data Protection Compliance Statement

(General Data Protection Regulation and Applicable Privacy Laws)

Stratus is committed to protecting the privacy and security of personal information and to maintaining a consistent and compliant approach to data protection.

This Compliance Statement explains Stratus's approach to data protection and privacy in accordance with the EU General Data Protection Regulation (GDPR), the UK GDPR, and other applicable privacy and data protection laws, including those in the United States, Australia, and the Middle East, where applicable. This statement should be read together with our Privacy Policy and Cookies Policy.

### Our Approach to Data Protection

Stratus has implemented policies, procedures, and technical and organizational measures designed to protect personal information and promote transparency. Personal information is processed only as described in our Privacy Policy and in accordance with applicable data protection laws.

### Our Data Protection Principles

Stratus applies the following principles:

- Personal information is processed lawfully, fairly, and transparently
- Personal information is collected only for specified and legitimate purposes
- Reasonable steps are taken to ensure accuracy
- Personal information is retained only as long as necessary
- Appropriate security safeguards are implemented

## Individual Rights

Subject to applicable law, individuals may request information regarding:

- Whether Stratus processes personal information about them
- Categories of personal information collected
- Purposes of processing
- Retention periods
- Correction of inaccurate data

Where applicable, individuals may also request deletion, restriction, objection to processing, and information on automated decision-making.

## Cookies and Online Technologies

Stratus uses cookies as described in its Cookies Policy.

## Our Data Protection Compliance Program

Stratus has:

- Conducted data mapping reviews
- Implemented internal policies and procedures
- Established incident response processes
- Maintained updated privacy and security policies
- Reviewed processing activities for lawful basis

## International Data Protection Considerations

Stratus applies consistent standards across regions, including the EU, UK, United States, Australia, and the Middle East.
