

## Maretti Langhe Nebbiolo 2022

**Region:** Langhe, Piedmont

**Grape Variety:** Nebbiolo

**Winemaker:** Janko Pelagic

**Alcohol:** 13.5%

**Summary:** Piedmont, in the foothills of the Alps in the north west of Italy, is home to the country's finest full-bodied red wines. The greatest wines are made from the extremely long lived Nebbiolo. Sourced from vineyards in the small commune of Castiglione Falletto in Piedmon.

**Winemaking:** Vinified in open fermenters with daily pumpovers. The Nebbiolo is immediately separated from skins for pressing after a short maceration period. The fruit is matured independently in a mix of small French oak casks and large Slavenion oak for eight months before blending and a further four months ageing in large oak casks.

**2022 Vintage:** The 2022 vintage in Langhe was characterised by a warm, dry growing season, producing healthy yields and wines with notable concentration and structure. Reds show deep colour, rich fruit, and well-integrated tannins, while whites exhibit vibrant acidity and aromatic intensity, making it a strong year for the region.

**Tasting Note:** This 2022 Langhe Nebbiolo opens with aromas of red cherry, rose, and a touch of earthy spice. The palate is structured and vibrant, with bright acidity, fine tannins, and a long, elegant finish that highlights its classic Langhe character.
