What should my child wear?

Participants should wear comfortable shoes. You do not need shin guards except for Micro and Skills Classes. Jerseys will be included in the registration fee and handed out during the first class. Wearing a Lil' Kickers jersey is a fun way to help your child feel like part of the team.

Can I join in the middle of the session?

Yes! We offer open enrollment so that you can join anytime and have your class fees prorated, meaning that you pay only for the remaining classes and not the full session fee.

How long are each classes?

Each of our classes lasts 50 minutes with a water break halfway through, so be prepared with a water bottle. Between classes, there is a 10-minute break.

What is your policy for accommodating children with special needs?

Lil' Kickers is an inclusive program for children with special needs as long as we can assist them appropriately. Please contact your Lil' Kickers Coordinator for more information on where your child with special needs fits.

How is Lil' Kickers different from other programs?

While many soccer programs use traditional soccer drills to teach fundamentals, Lil' Kickers uses a child-centered perspective and makes learning fun for kids. Our coaching methodology uses special techniques designed around how kids naturally learn, building social, emotional and conscientious individuals on and off the soccer field.

What is the difference between Lil' Kickers and Skills Institute?

Lil' Kickers is a child development soccer program that teaches basic skills through fun, creative, and energetic games. Skills Institute also encourages age-appropriate child development and focuses on teaching more technical and tactical skills through various fast-paced, challenging and structured drills.
