

External Asset Managers (EAMs) Programme

A partnership built on trust, discretion and alignment

At Tolomeo Bank Limited, our relationships with External Asset Managers are true partnerships – founded on trust, mutual respect and a shared commitment to client excellence.

We provide the infrastructure, support and stability you need to serve your clients seamlessly, while preserving your independence and strengthening your relationships.

Empowering independent wealth professionals

We support investment advisors, Asset Managers and family offices with a robust international banking and custody platform.

Our role is simple:

- Provide a secure and efficient banking environment
- Enable seamless portfolio management
- Support your client relationships with discretion and care

We recognise the importance of the tripartite relationship between you, your client and the Bank – and we are committed to supporting that dynamic at every stage.

Why partner with Tolomeo

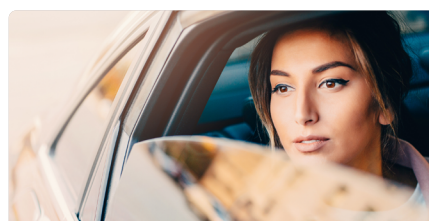

- A licensed and well-regulated international Private Bank
- A conservative risk framework protecting both clients and partners
- A discreet, client-centric service model
- A long-term approach focused on stability and continuity
- A responsive, multilingual team supporting your operations

Our role is to strengthen your offering – not compete with it.

Institutional infrastructure for you & your clients

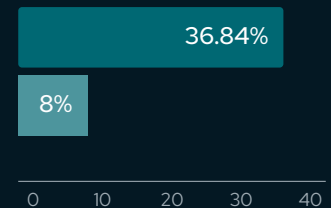

Our platform enables you to manage client portfolios efficiently across jurisdictions and currencies, supported by:

- Transparent and clear account statements
- Consolidated reporting
- Secure digital access to client portfolios
- Robust compliance and regulatory framework
- Direct access to experienced dealing and execution teams
- Possibility to work with third-party brokers through tripartite agreements

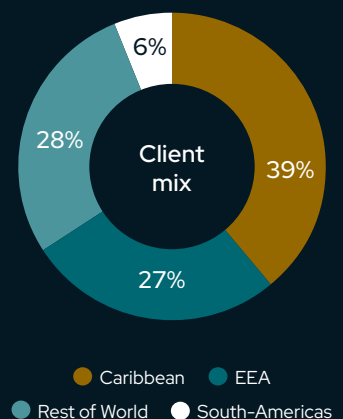

Strong capital ratios

Total Capital / Risk Weighted Assets
