

Halloween Trick or Treating

Social Narrative

Halloween Is a Holiday

- Halloween is a Holiday in the United States
- Halloween happens every year on October 31st

Halloween Is a Holiday

In the month of October, you may see people decorating their houses, yards and classrooms with decorations. You may see: Pumpkins, Jack-O Lanterns, Skeletons, Witches, Spiders & spiderwebs, Ghosts, Haunted houses and bats!

Halloween Decorations

Halloween decorations are sometimes made to be scary.

If I feel scared when I see Halloween decorations, I can tell my family. “I feel scared” or point to a picture to tell them I feel scared.

My family can help me do things to feel better

- Deep breaths
- Find a quiet space
- Listen to music

Halloween Costumes

- In the month of October, people also start to dress up in costumes.
- Lots of people dress up in costumes on October 31st for Halloween.
- If I want to, I can choose a costume to wear for Halloween Activities like Trick or Treating.

Trick or Treating

Trick or Treating is a Halloween activity that lots of kids like to do.

On October 31st or Trick or Treating Day:

- I can put on a costume
- I can wear my costume
- I can choose if I want to wear face paint, a mask or a hat as part of my costume
- I bring a bag for trick or treating
- I go outside and walk in my neighborhood with my family or friends.
- We walk to different houses

Trick or Treating

When I'm ready, I can pick a house and walk up to the front door.

I knock on the door.

The neighbor will open the door.

I say "trick or treat" and hold up my treat bag.

I may get to choose a treat, or my neighbor may put a treat in my treat bag.

I say "thank you!"

I walk away from the house.

After Trick or Treating

After Trick or treating, I go back to my house

- I will take off my costume.
- My parent(s) will want to look through my bag of treats before I have any to eat.
- I have fun trick or treating on Halloween!
