Agreement to these Terms

These Terms of Use ("Terms") govern your use of onblueprint.com and its related pages, our email communications, and our public social media accounts (together, the "Site"), operated by Blueprint Equity Management, LLC ("Blueprint," "we," "us," or "our"). By using the Site, you agree to these Terms and to our Privacy Policy, which is incorporated by reference. If you do not agree, please do not use the Site. We may revise these Terms at any time by posting an updated version, and your continued use of the Site after we post changes means you accept them.

No offer and no advice

The Site is provided for general informational purposes only. Nothing on the Site is an offer to sell, or a solicitation of an offer to buy, any interest in any fund or other investment vehicle managed by Blueprint or its affiliates. Any such offer will be made only through confidential offering documents, and only to persons who meet the applicable eligibility requirements, including accredited investor and qualified purchaser standards. Nothing on the Site is an offer to provide investment advisory services, and nothing on the Site is investment, legal, tax, accounting, or other professional advice. You should consult your own advisers before making any decision.

Blueprint has no obligation to invest in any company, to respond to any inquiry, or to offer anyone an opportunity to invest in any Blueprint fund.

Important disclosures

Blueprint Equity Management, LLC ("Blueprint") is an investment adviser that files reports with the U.S. Securities and Exchange Commission as an exempt reporting adviser. Blueprint is not registered as an investment adviser with the SEC or any state securities authority, and its status does not imply a certain level of skill or training. Blueprint's Form ADV is available at adviserinfo.sec.gov.

The content on this website is for informational purposes only. It is not directed to investors or prospective investors in any Blueprint fund, and it is not an offer to sell or a solicitation of an offer to buy any security or any interest in a fund. An offer may be made only through a fund's confidential offering documents, which should be read in full, and only to eligible investors.

Investing in private funds is speculative and involves a high degree of risk, including the loss of the entire amount invested. There is no assurance that any fund's investment objectives will be achieved. Past performance is not indicative of future results.

Portfolio companies. The companies shown on this website are a selection of investments made by funds managed by Blueprint. They are not representative of all investments, and some investments have lost value. There is no assurance that current or future investments will have similar characteristics or results. Descriptions of how Blueprint supported a company reflect Blueprint's view and are not a representation that any company's results were caused by Blueprint.

Statements by portfolio company executives. Quotes on this website are from executives of companies in which funds managed by Blueprint have invested. These individuals are not clients of Blueprint. They were not compensated for their statements. Because Blueprint funds own equity in their companies, and Blueprint personnel may serve on their boards, these individuals have a relationship with Blueprint that creates a conflict of interest. Their statements may not reflect the experience of other portfolio companies.

Views and third-party information. Views expressed by Blueprint personnel on this website, in posts, or on social media are their own as of the date given and may change without notice. Some information comes from third parties, including portfolio companies, and has not been independently verified.

Information you send us

We review a large number of business plans and company materials, many of them similar to each other or to companies we already know. For that reason, unless we have signed a separate written confidentiality agreement with you, anything you send us through the Site or by email is not confidential or proprietary, and we have no obligation not to use or disclose it. Receiving your materials does not limit our ability to evaluate, invest in, or work with any other company, including one that competes with yours. Please do not send us trade secrets or other information you are not prepared to share on these terms.

You are responsible for what you submit and confirm you have the right to share it.

Portfolio company and third-party information

Information about portfolio companies, including descriptions, milestones, and quotes, may come from the companies themselves or other third parties. We believe these sources are reliable, but we have not independently verified all of it and make no representation that it is complete, accurate, or current. Links to third-party websites are provided for convenience only. We do not control those sites and are not responsible for their content, and a link is not an endorsement.

Forward-looking statements

Some statements on the Site may be forward-looking, which you can often identify by words such as “may,” “will,” “expect,” “believe,” “intend,” “potential,” or “target.” Forward-looking statements involve risks, uncertainties, and assumptions, and actual results may differ materially. They are not guarantees, and we undertake no obligation to update them.

Ownership of content

The Site and its content, including text, graphics, logos, photographs, video, and design, are owned by Blueprint or its licensors and are protected by intellectual property laws. You may view and print content for your personal, non-commercial use. You may not copy, modify, distribute, or create derivative works from the Site without our prior written consent. Trademarks and logos of portfolio companies and other third parties belong to their respective owners, and their appearance on the Site does not grant you any license.

Acceptable use

You agree not to use the Site unlawfully, interfere with its operation or security, attempt to gain unauthorized access to any system, use automated means to scrape or collect data from it, or submit content that is false, misleading, or infringes anyone’s rights.

Disclaimer of warranties

The Site and all of its content are provided “as is” and “as available.” To the fullest extent permitted by law, Blueprint and its affiliates disclaim all warranties, express or implied, including warranties of merchantability, fitness for a particular purpose, title, non-infringement, accuracy, and freedom from viruses or other harmful code. We do not warrant that the Site will be uninterrupted or error-free, or that the information on it is complete or current.

Limitation of liability

To the fullest extent permitted by law, Blueprint and its affiliates will not be liable for any indirect, incidental, special, consequential, exemplary, or punitive damages arising from or related to the Site, however caused and under any theory of liability. Our total liability for any claim related to the Site will not exceed one hundred dollars (\$100). Nothing in these Terms waives any right a person may have under the federal securities laws that cannot be waived.

Indemnification

To the fullest extent permitted by law, you agree to indemnify and hold harmless Blueprint, its affiliates, and their respective officers, employees, and agents from any third-party claims, losses, and expenses (including reasonable attorneys’ fees) arising from your use of the Site or your breach of these Terms.

Governing law and venue

These Terms are governed by the laws of the State of California, without regard to its conflict of laws rules. Any dispute relating to these Terms or the Site will be resolved exclusively in the state or federal courts located in San Diego County, California, and you consent to their jurisdiction.

General

These Terms, together with the Privacy Policy, are the entire agreement between you and Blueprint regarding the Site. If any provision is found unenforceable, it will be limited to the minimum extent necessary and the rest will remain in effect. Our failure to enforce any provision is not a waiver.
