### **Your safety and satisfaction are our top priorities.**

Before any colour service, we require all new clients to have a skin test at least 48 hours in advance. This quick and simple test ensures you don't have any sensitivities or allergic reactions to our colour products. Even if you've had your hair coloured before, different products can react differently, so this step is essential. Please book your free skin test before your appointment—we want you to have a safe and enjoyable experience with us.
