Oxford Clinic

About the Clinic

The KT Healthcare Oxford Clinic is located within the Milton Park Innovation Centre, a modern and professional environment designed to support patient comfort and accessibility. The building is fully accessible, with step-free access and lift facilities available.

Our Oxford location has been carefully designed to create a calm, welcoming space where patients can feel at ease throughout their visit. From the moment you arrive, you will be greeted by a friendly receptionist and invited into a comfortable waiting area. A café is conveniently located on site, offering refreshments for patients before or after their appointment.

MODERN FACILITIES

The clinic combines contemporary facilities with a thoughtful layout to ensure privacy, comfort, and a smooth experience from arrival to consultation. The space has been created to feel both professional and reassuring, helping you feel relaxed at every stage of your visit.

THE CLINIC OFFERS:

- A calm, private setting for assessments
- Experienced and friendly clinicians
- A welcoming reception with a comfortable waiting area
- Café available on site
- Modern, well-equipped facilities

Getting to the Clinic

Situated within Milton Park in Oxfordshire, the clinic is well connected and easy to reach by car or public transport, with parking available nearby for your convenience.

Clear signage across Milton Park will help guide you to the clinic on arrival, ensuring a smooth and straightforward visit. If you have any difficulty finding us, a member of our team will be happy to assist.

BY CAR

The clinic is easily accessed via the A34. Follow signs for Milton Park Innovation Centre once you are on the park.

Visitor parking is available directly outside the building. If visitor spaces are full, an overflow car park is located a short walk away.

BY PUBLIC TRANSPORT

Didcot Parkway train station is nearby, with regular services connecting to Oxford, Reading, and London.

Local bus routes also serve Milton Park, and taxis are readily available from the station for a short journey to the clinic.

ON ARRIVAL

The Clinic Room

We understand that visiting a clinic can feel overwhelming for some individuals, particularly where sensory needs or differences are important. The environment has been created with comfort in mind, including soft lighting, a quiet and relaxed atmosphere, and a layout that supports privacy and minimal disruption.

If you have specific preferences, such as a quieter place to wait or adjustments to help you feel more comfortable, our team will always do their best to accommodate your needs.

We are committed to creating a space that feels accessible, respectful, and supportive for everyone, so you can feel safe and comfortable throughout your visit.
