

A hard-starting vehicle isn't always the result of a weak battery.

At Hanford's Tire & Service, we'll test your battery and inspect your vehicle's charging and starting systems to help identify potential issues before they become bigger problems.

Whether you need battery testing, battery replacement, or charging system repair, our experienced technicians will recommend the right solution to keep your vehicle reliable and ready for the road.

Free Battery Testing

Offer applies to most vehicles, see store for details.

Cannot be combined with other offers. Coupon must be presented at vehicle drop-off. No cash value.
