Leather Descriptions

Fabian is a full grain semi- aniline leather featuring a random hand applied two tone tipped grain effect. Suitable for hospitality, workplace, and residential environments.

Lena is a full grain semi-aniline leather with even coloration and protective finish. Suitable for hospitality, workplace, and residential environments.

Sierra is an enhanced grain semi-aniline leather with even coloration and consistent grain throughout the entire hide. Suitable for hospitality, workplace, and residential environments.

Safari is a top grain semi- aniline leather with even coloration and consistent grain structure. Suitable for hospitality, workplace, and residential environments.

Ranch is a full grain vacuum dried semi -aniline leather exhibiting a beautiful tight grain structure and subtle bicolor finish to achieve a luxurious classical look. Suitable for residential, workplace and hospitality environments.

Vulcano is a semi-aniline distressed leather with a classic marbled crackle effect. Suitable for hospitality, workplace, and residential environments.

Milano is semi-aniline robust leather featuring a natural grain, soft and rich round hand enhanced by a semitransparent finish exhibiting the natural colorations within the hide. Suitable for workplace, hospitality, and residential environments.

*Characteristics such as healed scars, insect marks and other signatures of nature add character and beauty to the finish of all leathers.

Environmental Commitment
Production is REACH (EC 1907/2008) compliant with aims to improve the protection of human environmental health. Processed using low emission mineral tanning formulas which are environmentally respectful, the hides are retanned in aged oak drums using vegetable agents, natural fat liquors, oils and dyes that ensure the leather is properly throughly dyed. Natural color variations may occur even within the same dye lot. All leathers are PFAS-Free.

Cleaning Codes
L: Warm water, mild soap only. Absolutely NO alcohol-based cleaning agents. Dust regularly. Minor spots can be washed off using lukewarm water and mild soap. Do not soak. Never clean with abrasive solvents, alcohol or wax-based products.

BC: Bleach Cleanable. Bleach cleanability is desirable for any leather that may need soil and stain removal. Use a 10:1 water to bleach solution for Fabian, Safari, Sierra, and Vulcano. Use a 48:1 water to bleach solution for Lena and Windsor. For Ranch, Milano and Dakar use Code L.
