

MAVEN

by Morgan

PRIVATE DINING

\$85 per person

No limit on seating time

The Maven private dining room seats up to 25 guests, tucked away from the main floor with its own dedicated service and a wine wall that does most of the decorating. The same shared menus Maven is known for — just with the whole table to yourselves. Focaccia hits first. Things get louder from there.

Birthdays · Corporate Dinners · Long Lunches · Anything Worth Marking
