Instructions for How to Find an In-Network Pharmacy

1. Go to www.bcbsil.com
2. Under the "Find Care" drop down, click on "Pharmacies"
3. Click "Search as a Guest" under the "All Other BCBSIL Plans" sub-heading under the larger "Search as a Guest*" heading on the right side of the page
4. This will take you to a new site (myprime) where you will be asked to enter log information. You can click on "Continue without sign in" at the bottom of the dialogue box.
5. Enter your health plan in the first drop down which will be "BCBS Illinois" (members living outside of the state of Illinois will also choose this option). In the second drop down, select "Other BCBSIL Plans." You may also ask if you're shopping for a Medicare plan. If so, select "No" and click continue
6. From there, you will choose your pharmacy network which is the "**Preferred Network**" and then click submit
7. Enter your search criteria
 - Retail, Home Delivery or Specialty Pharmacy,
 - Zip code, city and state, or address
 - Pharmacy name (optional)
 - 30 or 90-day supply
8. Click search

TIP: Whenever possible, please try to fill your prescriptions at the preferred pharmacies listed below to minimize your out-of-pocket costs. Prescriptions filled at Target and CVS are considered out-of-network and will require you to submit a claim for reimbursement.
