### **Instructions for How to Look Up Your Prescriptions Under the BCBS Formulary**

1. Go to [www.bcbsil.com](http://www.bcbsil.com)
2. Under the "Prescription Drugs" drop down and click "Managing Your Prescriptions"
3. Scroll down and click "Drug Lists"
4. Scroll down and use the drop-down arrow to expand the below section

Employer Plans – Fully Funded Large Groups 51+:

I have a health plan through an employer. The employer has 51 or more employees. My plan is fully funded.\*

5. Under "**Performance Full Drug List**" open the full drug list by clicking "2025 Drug List"
6. When the document opens, you can use the "Ctrl + F" function to search for your drug

From there, you will be able to tell if the drug is covered under the new formulary and what drug tier it will be under. To search for drugs online with clickable options for generic equivalents and therapeutic alternatives, you'll need to log in with your personal member account information.
