<i>Please give us as much notice as possible if you need to cancel or reschedule. A consult fee applies for missed appointments and late cancellations.</i>			
Did not attend / late cancellation	Consult fee		

*ACC-related consultations are charged at our standard consultation fee. ACC funding helps with the extra administration involved in managing claims, but it does not cover the full cost of your appointment, so the usual consultation fee applies.

**Fees differ for non-funded patients (ie casual or non-resident). For more information contact reception.
