If you need to change your appointment, please let us know as early as possible so we can offer the time to another patient. Missed appointments and late cancellations will incur a fee.	
Did Not Attend / Late Cancellation	Consult Fee +

*ACC-related consultations are charged at our standard consultation fee. ACC funding helps with the extra administration involved in managing claims, but it does not cover the full cost of your appointment, so the usual consultation fee applies.

**Fees differ for non-funded patients (ie casual or non-resident). For more information, please contact us.
