

Si-PRO[™]

Restores Silicon to the soil to increase water holding capacity and resistance to abiotic stresses

0-0-3 GUARANTEED ANALYSIS

Soluble Potash (K₂O).....3.0%

Derived From Potassium Phosphite

ALSO CONTAINS BENEFICIAL SUBSTANCES

4% Soluble Silicon (Si) from Potassium Silicate

8.5 lbs. per gallon (3.8kg) at 68°F

275 gallons (1041 L) / 2,337.5 lbs (1060.3 kg)

2.5 gallons (9.5 L) / 21.25 lbs (9.64 kg)

USAGE RATE

Corn: 12.8 ounces post planting before emergence up to V2 followed by 12.8 ounces at V6 - V8. **Soybeans:** 16 ounces pre-plant followed by 12.8 ounces just prior to R1.

Other crops: Consult representative for more information.

STORAGE INFORMATION

Store product in temperature-controlled location at or above 45°F and below 150°F. Keep opened bottles closed tightly and out of direct sunlight. Expires 3-years from the date of manufacture on label.

CAUTION

DO NOT USE WITH ANY FORM OF NITROGEN. Do not mix with any fungicides. Si-Pro[™] can be mixed with limited herbicides. A jar test is highly recommended to insure compatibility.

NOTICE TO BUYER

The information contained on this label is believed to be accurate, reliable, and reasonably fit for the purposes stated on the label, and when used under normal use conditions in accordance with the label directions.

DIRECTIONS FOR USE

Tank-cleaning instructions: Prior to mixing, thoroughly clean tank from solutions to avoid antagonistic or undesirable precipitates. It is recommended to use 16 ounces of Si-Pro[™] per 300 gallons of tank capacity as a cleaning agent. Agitate and charge booms, then let sit a minimum of 30 minutes or overnight, then flush lines with clean water.

DISCLAIMER OF LIABILITY & LIMITATION OF REMEDY

This product should be used as a part of a good plant nutrition program and is not intended to replace proper crop management and protocols. Biotech Innovations guarantees this product to the extent of the purchase price, only when used according to the label directions.

Manufactured and Guaranteed by:
Biotech Innovations 1001 Los Rios Blvd. #200 • Plano, TX 75074

WARNING: KEEP OUT OF REACH OF CHILDREN.

Use proper protection while mixing. Contact with skin or eyes, rinse with water. Call a doctor if irritation develops.
