

**PRIMEPRO-DW/DEFENDPRO**<sup>™</sup>

**Biological seed treatment improves emergence, yields, and helps strengthen the root zone in dicots**

**Dry Formulation**

**CONTAINS BENEFICIAL SUBSTANCES**

Azotobacter vinelandii.....400,000 CFU/ml  
Clostridium pasteurianum.....400,000 CFU/ml  
Rhizophagus intraradices.....400,000 CFU/ml  
Lactobacillus acidophilus.....400,000 CFU/ml

7 pounds (3.2 kg)

**USAGE RATE**

Apply 2 scoops per 45 lbs of seed. Each bucket treats up to 2,200 lbs. of seed. Scoop included in bucket.

**STORAGE INFORMATION**

Store product in a low moisture location. Keep opened bottles closed tightly and dry. Expires 5 years from date of manufacture on label.

Seed could be stored up to 1 year after treatment in low moisture conditions.

**CAUTION**

Wear protective clothing, avoid contact with skin and inhalation of dust.

**NOTICE TO BUYER**

The information contained on this label is believed to be accurate, reliable, and reasonably fit for the purposes stated on the label, and when used under normal use conditions in accordance with the label directions.

**DIRECTIONS FOR USE**

Shake bucket prior to use. Apply product to seed prior to or at the time of planting in seed boxes. Additional Talc and/or graphite may be added if needed. Recommendations: (1) Fill planter box 1/3 full with seed. (2) Dust/apply 1/3 amount of product onto seed. (3) Repeat in 1/3 increments until planter box is full.

For best results mechanically stir to help with even application and adherence.

**DISCLAIMER OF LIABILITY & LIMITATION OF REMEDY**

This product should be used as a part of a good plant nutrition program and is not intended to replace proper crop management and protocols. Biotech Innovations guarantees this product to the extent of the purchase price, only when used according to the label directions.

Manufactured and Guaranteed by:  
Biotech Innovations 1001 Los Rios Blvd. #200 • Plano, TX 75074

**WARNING: KEEP OUT OF REACH OF CHILDREN.**

Use proper protection while mixing. Contact with skin or eyes, rinse with water. Call a doctor if irritation develops.
