

A detailed illustration of an ancient Indian city, likely a Rajasthani or Mughal-style town, nestled in a valley. A wide river flows through the center, reflecting the sky and the buildings. In the foreground, there are stone steps leading down to the water, with an elephant standing at the bottom. The background features misty mountains and a sky filled with birds flying in a V-formation. The overall color palette is warm, dominated by golden yellows, oranges, and browns, creating a serene and historical atmosphere.
