

A detailed illustration of a serene landscape. In the foreground, a river flows through a lush, green valley. On the left, a large, ornate building with multiple domes and arches sits on a hillside. In the center, a long, arched bridge spans the river. On the right, another domed structure is visible. The background features misty, golden mountains under a sky filled with soft, billowing clouds. Several birds are scattered across the sky, some in flight. The overall color palette is warm, dominated by golds, browns, and greens, creating a peaceful and majestic atmosphere.
